

Family Educational Grant

The Family Educational Grant (FEG) is a donation-funded program that provides tuition assistance based on financial need. Families who apply can qualify to receive a grant equaling 5-55% of their tuition. Our Multiple-Student Discount program, for all families with more than one student attending Berean, is also funded through the FEG program. A gift to the FEG program will directly help a family provide a Christian education for their children. Donate [here](#).
